

QURANIC AYATS ACTIVITY

This is a project we enjoyed doing: I picked out ayats from the Qur'an that the kids could relate to then they wrote them out and illustrated them i.e.

1. Surah An-Nahl 16:66: write the ayah in Arabic and English, draw a picture - we drew cows in a green field and a glass of milk.
2. Surah An-Nahl 16:14: we drew fish in a sea.
3. Surah An-Nisa 4:103: we cut out 5 clocks and set each one to the times of the 5 prayers for that day.
4. Surah Al-Mulk 67:5 and Surah Hijr 15:16. Stick stars all over the paper
5. Surah An-Nahl 16:12. Half the page sky blue, half the page black. Stick on a big orange sun and a big yellow crescent.
6. Surah Al-Isra' 17:66. Draw ships on the sea.
7. Surah An-Naba 78:9. Cut out shapes to make up a bed, window and prayer mat. Stick them all in the right place.
8. Surah Al-Imran 3:19. Cut out the letters to spell ISLAM in bubble writing. Colour the paper in bright and vibrant colours, stick the letters on.
9. Surah An-Nahl 16:11. Draw all the fruit mentioned and more!

Subhan'Allah, I am sure you can find many, many more.
